ANNOUNCEMENTS

After the General Meeting, there was a Special Meeting and all the members were invited to remain to discuss and vote on the possibility of the Rotary Club moving to another meeting location. There was a ballot vote taken and all the information submitted to President Gary for tallying. This issue will be discussed at the next regular Board Meeting.

We are minus three pictures from going to print with the Rotary Directory: Bill Bergmann, Dario Sartori and Bob Jones.

TODAY’S PROGRAM

Bill Bergmann introduced Amie Eisenhut, a Health Education Specialist with the Center for Nutrition and Activity Promotion at California State University, Chico. Amie discussed childhood obesity and its impact on our society. Based on current surveys, only 11% of students that were surveyed nationwide meet the minimum fitness standards and there is an increase in adolescent diabetes, plus other medical complications. Obesity and its related complications can be positively impacted by a change in life activities and eating habits, which the Center for Nutrition and Activity Promotion is working with schools in the local area to implement.

UPCOMING PROGRAMS

10/24 *Les a Lane – Gerald Eckerts on Cutting Horses*

10/31 *Jim Kerr – Halloween Program*
