Today's Program

On Wednesday, February 26th, we honored our Student of the Month for the month of February. Tristin Sandoval Palacios was introduced by CUHS teacher Alyandra Montes and was accompanied by his parents.

Treasurer Tony Cardenas gave a report on the Wine, Food and Art Festival results for this year. Not all funds are in at this point. However, it appears that the event was very successful even though the total income may be a little less than last year. The date change and also some rule changes this year probably impacted total sales.

Upcoming Programs/ Events

We are returning to our prior procedure for weekly programs. Members will once again be responsible for arranging programs on their assigned dates. Vanessa Haro and Valanne Cardenas will monitor the process and you can contact them if you need assistance. See page 3 for the schedule of program assignments.
